MUNICIPAL BY-LAWS.

CORPORATION OF DELTA.

A By-law to provide for Repairs for the Works constructed under the "Delta Dyke and Drain By-law, 1895," and to borrow the Sum of Twelve Thousand Dollars (\$12,000) to carry out such Work, Provisionally adopted this 13th Day of September, 1919.

WHEREAS the Municipal Council of the Corporation of Delta on the 5th day of October, 1895, duly passed the "Delta Dyke and Drain By-law, 1895," to provide for the dyking and draining of a portion of the municipality and to borrow the sum of sixty-one thousand three hundred and twenty dollars and fifty-one cents (\$61,320.51) for completing the same; and

Whereas by section 124 of the "Municipal Act" it is the duty of the municipality making such works to preserve, maintain, and keep in repair the same at the expense of the lands and roads benefited; and

Whereas it is provided by section 127 of the "Municipal Act" that when repairs are required to be made are so expensive that the Municipal Council does not deem it expedient to levy the cost thereof in one year the Council may pass a by-law to borrow upon debentures of the municipality the funds necessary for the work and to assess and levy upon the property benefited a special tax sufficient for the payment of the principal and interest of the debentures,—

The Municipal Council of the Corporation of Delta therefore enacts as follows:—

1. That the sum of twelve thousand dollars (\$12,000) be borrowed on the credit of the Corporation of Delta, being the funds necessary for the preservation, maintenance, and repairs of the works constructed under the "Delta Dyke and Drain By-law, 1895," and that debentures of the Corporation to the amount of twelve thousand dollars (\$12,000) be issued in sums of not less than one thousand dollars (\$1,000) each and payable in three years from the date thereof with interest at the rate of six and one-half per cent. (6½%) per annum, such debentures, both as to principal and interest, to be payable at the Royal Bank of Canada, in Ladner, in the Province of British Columbia, and to have attached to the coupons for the payment of interest.

2. That for the purpose of paying the said sum of twelve thousand dollars (\$12,000), being the amount charged against the said lands so to be benefited as aforesaid and to cover interest for the three years at the rate of six and one-half per cent. (6½%) per annum, the following rate over and above all other rates shall be assessed and levied, in the same manner and at the same time as taxes are levied, upon the undermentioned sections and parts of sections, and the amount of the said special rate and interest, assessed as aforesaid against each section or part of section respectively, shall be divided into three equal parts and one such part shall be assessed and levied as aforesaid in each year for the three years after the final passing of this by-law during which the said debentures have run.

DOMINION ORDERS IN COUNCIL.

[2043]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 6th day of October, 1919.

PRESENT:

THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the regulations for the survey, administration, disposal, and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia, established by Order in Council of September 17th, 1889, provide that Dominion lands shall be laid out into sections of a mile square, together with an allowance of 12 acres for road purposes, and that each section shall be divided into quarter-sections of 160 acres, together with an allowance for roads of 3 acres; and

Whereas the Minister of the Interior reports that, in accordance with these provisions, the areas of lands have been given on the plans of townships exclusive of the allowance for roads at the rate of 12 acres per section and in like proportion for smaller areas; and

Whereas the Minister submits that, as the provisions of the said regulations relating to roads and road allowances have been amended by Order in Council of June 22nd, 1918, which authorizes the authorities of the Province to take, for road purposes, from the land of any owner or occupier any area not exceeding one-twentieth of the area of the said land, the deduction of an allowance for roads of 12 acres per section has no longer any significance;

Therefore the Deputy Governor-General in Council is pleased to order and it is hereby ordered that the actual areas of sections or other subdivisions of land, without any deduction for roads, shall be now given on the plans of townships; also that sections 3, 5, and 7 of the above-mentioned regulations shall be and the same are hereby amended to read as follows:—

Section 3.

The Dominion lands in British Columbia shall be laid off, so far as practicable, in quadrilateral townships, each containing thirty-six sections measuring as nearly as the convergence of meridians permits eighty and one-half chains along the meridian and eighty-one chains perpendicularly to the meridian through the centre of the township.

The sections shall be bounded and numbered as shown on the following diagram:—

N					
31	32	33	34	35	36
30	29	28	27	26	25
19	20	21	22	23	24
18	17	16	15	14	13
7	8	9	10	11	12
6	5	4	3	2	1
S					

Section 5.

Each section shall be divided into quarter-sections of 163 acres, more or less, subject to the provisions hereinafter made.

Section 7.

The dimensions and areas of the sections, quarter-sections, or other authorized subdivisions shall be returned and marked on the official plans at their actual measurements and contents, without any deduction for roads.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[2014]
AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 6th day of October, 1919.

PRESENT:

THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

WHEREAS regulations for the disposal of coal-mining rights the property of the Crown in the Provinces of Manitoba, Saskatchewan, and Alberta, the Yukon Territory, the North-west Territories, and in portions of the Province of British Columbia were established by Order in Council dated the 20th day of April, 1910, and amended by subsequent Orders in Council; and

Whereas the Minister of the Interior reports that representations have been made to the Department

of the Interior that there is a very large and valuable deposit of high-grade coal on Dominion lands near the junction of the Muskeg and Smoky Rivers in unsurveyed territory in the Province of Alberta, situated about seventy miles distant from railway communication; and

Whereas the coal-mining rights already disposed of by the Crown under the provisions of the regulations, and those available coal-mining rights with which railway communication has already been established in the said Province appear to be sufficient to supply all present requirements, and as it would appear to be in the public interest that a coal reservation should be created in the northern portion of the said Province, —

Therefore the Deputy Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the coal-mining rights which are the property of the Crown in Townships 55, 56, 57, 58, and 59, Ranges 7, 8, and 9, west of the 6th initial meridian, shall be and the same are hereby withdrawn from disposal under the provisions of the coal-mining regulations above referred to.
